

JONES HILL STATE SCHOOL

In-Catchment Enrolment Form

Student's Name: _____ Year Level: _____

Due to the increase of enrolments at Jones Hill State School, the school is now enrolment managed and has a designated catchment area. The school has an Enrolment Management Plan in which we require additional information in the enrolment process to confirm if a student is considered "In-Catchment" or "Out of Catchment".

Any student, whose principal place of residence is within the school's catchment area, is (subject to the Education (*General Provisions*) Act 2006) entitled to enrol at Jones Hill State School. The Principal will reserve places for students who move into the catchment area throughout the school year.

Any parent or legal guardian wishing to enrol their student at the school will need to demonstrate that the student's principal place of residence is in the Jones Hill State School catchment area. Current proof of residency at the address indicated can be provided by one of each of the following:

Primary Source of Evidence –

- A current lease agreement
- Rates Notice
- Unconditional sale agreement

Secondary source –

- A utility bill (e.g. electricity, gas) showing this same address and parent's/legal guardian's name

If the Principal is not satisfied that the documentation provided by an applicant demonstrates adequately that the address stated is the student's principal place of residence, then the Principal may request further sources of proof of residence, such as an additional utility bill (e.g. water) showing the same address.

The Principal may request a properly sworn Statutory Declaration from the enrolling parent or legal guardian attesting that the student's principal place of residence is the place nominated in the enrolment application.

Applicants should note that a false statement/assertion about the student's principal place of residence may amount to an offence and may be reported to the police. The school Principal may repeal a decision to enrol a student in such circumstances.

Other students who are entitled to enrol as if in-catchment:

The following groups of students will be entitled to enrol, even though they may reside outside the schools' catchment area. Please indicate if you believe your student meets any of these exceptions.

- Children and young people who are subject to child protection orders, granted guardianship or custody to the Chief Executive Officer of the Department of Communities, Child Safety and Disability Services (Child Safety Services).
- Siblings of current students at the school in 2018.
- Students whose parent or legal guardian is employed by the school.
- Students who live outside the catchment area and are verified with a disability can enrol in the school to attend the specialised disability program if it is the closest program to their home and meets their individualised needs.
- Students who have been excluded from another school, dependent upon their conditions related to the exclusion and next closest school, subject to agreement of the Regional Director.
